CONTACT If you wish to report fallen trees, hazards or other maintenance issues, call Snowy Monaro Regional Council on **1300 345 345** or email snowymountainsmtbclub@gmail.com

WE NEED YOUR HELP The Mt. Gladstone Trails are constructed and maintained by Volunteers of the Snowy Mountains Mountain Bike Club. For information on how to volunteer, donate to or join the club please email us on snowymountainsmtbclub@gmail.com

RULES OF THE TRAILS

• **RIDE ON OPEN TRAILS ONLY** Trails are closed for various safety and maintenance reasons. Never enter a closed area and always obey signs, staff, notices and warnings.

• **PROTECT YOURSELF** Use an appropriate bike, helmet and protective equipment, and give them a safety check before your ride, and never ride under the influence of drugs or alcohol.

• **CONTROL YOUR BIKE** You are responsible for avoiding obstacles and people.

• **KNOW YOUR LIMITS** Ride within your ability. Start slow and work your way up. Parents are responsible for ensuring children under 12 can meet this condition.

• **INSPECT TRAILS & FEATURES** A sighting run of each trail is strongly recommended before attempting features, such as gap jumps. Inspect the trails, consider the conditions and your riding ability and ride accordingly.

• **RESPECT THE TRAIL AND WORK OF VOLUNTEERS** Do not skid through berms. Do not cut new lines or ride short cuts. Do not make changes to advanced trails to make them easier.

• **BE VISIBLE** Never stop where you obstruct the trail, a trail feature or where you can't be seen by approaching riders.

• **LOOK OUT FOR OTHERS** Give way when entering or crossing a road or trail. Be considerate when overtaking; slow down, alert riders in front of you and give them time to react.

• **REPORT SAFETY CONCERNS** Trail conditions change frequently. Please report any safety concerns you may have by emailing the club. You can also report it on our Facebook page or on Trailforks.
