To all of our dedicated volunteers!

2026 Young Woman Charlee Tozer

I was born in Cooma in 2006 and have lived on my family property The Peak my entire life. I have a younger brother, and our parents are Ian and Jo Tozer. Mum and Dad were also born in Cooma and up until Dads passing in 2007, he was actively involved in many community associations/clubs including the Nimmitabel Lion's Club and Show Society. Growing up I was fortunate enough to have the love of two sets of wonderful grandparents, Kelly and Nancy Burke and Bruce and Pat Tozer, formerly of Coonerang, who each had strong connections to the Nimmitabel community. I attended local Monaro schools completing my HSC in 2024 receiving early entry into a Bachelor of Nursing at the University of Wollongong where I'm currently studying. I am continuing a proud family tradition by becoming a fourth-generation nurse. Growing up on the land alongside my family instilled in me an appreciation for rural life and sparked my interest in agriculture. This passion for agriculture led me to study Primary Industries as part of a senior school subject, during which I completed work placement at Rolfe Agricultural, owned by Andrew and Zoe Rolfe. After completing the placement I was offered casual employment with them which allowed me to develop practical skills and build strong connections within the industry. While undertaking my first year of nursing, I've also worked part time at the local Bombala Street Doctor's Surgery and as a Student Ambassador for the University of Wollongong with both providing me with a wealth of rewarding experiences.

After completing my Bachelor of Nursing my goal is to specialise in emergency nursing and further complete a post graduate diploma in Midwifery. On completion of these, I will use my skills to work in rural and remote areas across NSW, including working for the Royal Flying Doctors. It has always been a passion of mine to give back to communities and make a difference in peoples lives particularly in areas where access to health care is limited and support is often out of reach.

My family has always had a strong association with the annual show dating back to the early 2000's where my Dad and Nan (Pat Tozer) were dedicated stewards and volunteers. In 2023 Nan was honoured with the Royal Agricultural Shows Award. As a child the annual show was always a highlight of the year as I got the opportunity to enter floral arrangements, cakes, eggs, veggies and photos. My great aunt, Bev Haylock, was a huge inspiration to me as she helped guide me in preparing and decorating my floral arrangements, and with her encouragement and eye for detail helped spark my passion for trying new activities and building further confidence. The Nimmitabel Show has always been full of traditions, family fun and very fond memories for me. I'm incredibly proud to have been selected as the 2026 Nimmitabel Young Woman of the Year and look forward to representing the Nimmitabel Show Society and the local community.

TOBY HAYLOCK RURAL ACHIEVER For Nimmitabel Show

I was born and raised on the Monaro at Springfield, west of Nimmitabel where the Haylock family has been for 6 generations. I have great memories growing up on the farm, and spending time in and around Nimmitabel. Being brought up in the area was the foundation for forging a career in the wool industry. The area is full of passionate wool growers, and is certainly what inspired me to pursue a career in the industry. After finishing school I completed an Agricultural Science degree with a major in livestock production, the focus of that being wool. I started working as a wool buyer and continued to progress, currently working as the Elders District Wool Manager for the Southern Tablelands, based out of Yass. This job has been a great opportunity for me to expand my career in agriculture and the wool industry, and is something I look forward to continually build over the coming years, and continue to build many connections within the industry.

.Despite living away, coming home to Nimmitabel is always a pleasure. The Nimmitabel show was always a highlight in the calendar growing up. A fantastic community event, with something for everyone. The show is a great representation of the agricultural diversity of our area, and what Nimmitabel has to offer. It is an honour to represent Nimmitabel as the Rural Achiever for 2026
